OVERVIEW.

The elegant 52m (170.6ft) NITA K II is a Dutch pedigree superyacht launched by Amels in 2004. This stunning five cabin yacht for sale features meticulously crafted interiors by Alberto Pinto and Laura Sessa, paired with an exterior design by the renowned Terence Disdale. Constructed with a steel hull and aluminium superstructure, NITA K II boasts an impressive volume of 628GT. NITA K II presents in turn-key condition, having been meticulously maintained by her experienced crew and undergoing numerous refits most recently in 2026.

Since her debut, NITA K II has proven to be a versatile yacht for both private ownership and for charter use. Thanks to her spacious layout, luxurious amenities including a jacuzzi, bar, and sunloungers, she offers appeal to seasoned sailing fans looking to own a yacht with charter potential.

Alongside space for 13 crew members, NITA K II comfortably accommodates up to 12 guests in five luxurious cabins. The full-beam master cabin on the main deck features his-and-hers en suites, walk-in wardrobes, and an adjoining office offering a private work space. On the lower deck, four spacious guest cabins with king beds can be found including two VIP suites equipped with jet tubs and oversized showers, along with two pullman bunks. The main deck lounge and sky lounge on board this Amels yacht for sale are comfortable spaces flooded with natural light from her large windows on either side.

In addition to her stunning interior, NITA K II offers generous exterior deck spaces, including a large sun deck with a jacuzzi and sun pads, a fully equipped bar under a hardtop, and an expansive sun lounge at the rear. The upper deck aft features open-air dining and lounging, while the main deck aft includes a spacious lounge area. The exterior layout is perfect for guest entertainment and relaxation, allowing everyone on board to enjoy their time together.

Powered by twin 1,200hp Cummins diesel engines, NITA K II cruises comfortably at 12.5 knots and can reach a maximum speed of 15 knots. With a transatlantic range of 5,000 nautical miles at economical speed, she is equipped with zero-speed stabilisers, ensuring unparalleled comfort for guests both at anchor and underway.
