NIXIE

OVERVIEW.

NIXIE is a 102.4m (335.9ft) motor yacht built by Lurssen. She is of steel and aluminium construction and was delivered in 2026. Her exterior and interior design is by RWD.

She can accommodate 20 guests in 10 cabins. One of NIXIE's defining features is its semi-suspended glass swimming pool, complemented by one of the largest beach clubs ever incorporated on a Lurssen yacht. Four fold-out sea terraces extend seamlessly from the Indian teak deck, creating an expansive 270-square-metre waterside leisure area. In addition, her design follows Lloyds Register technical standards for safety and performance.

NIXIE has an approximate range of 4,000nm at an economical speed of 12 knots. She is fitted with Zero Speed stabilisers for increased comfort.

Key features

Main deck master cabin

Accommodation for up to 20 guests in 10 cabins

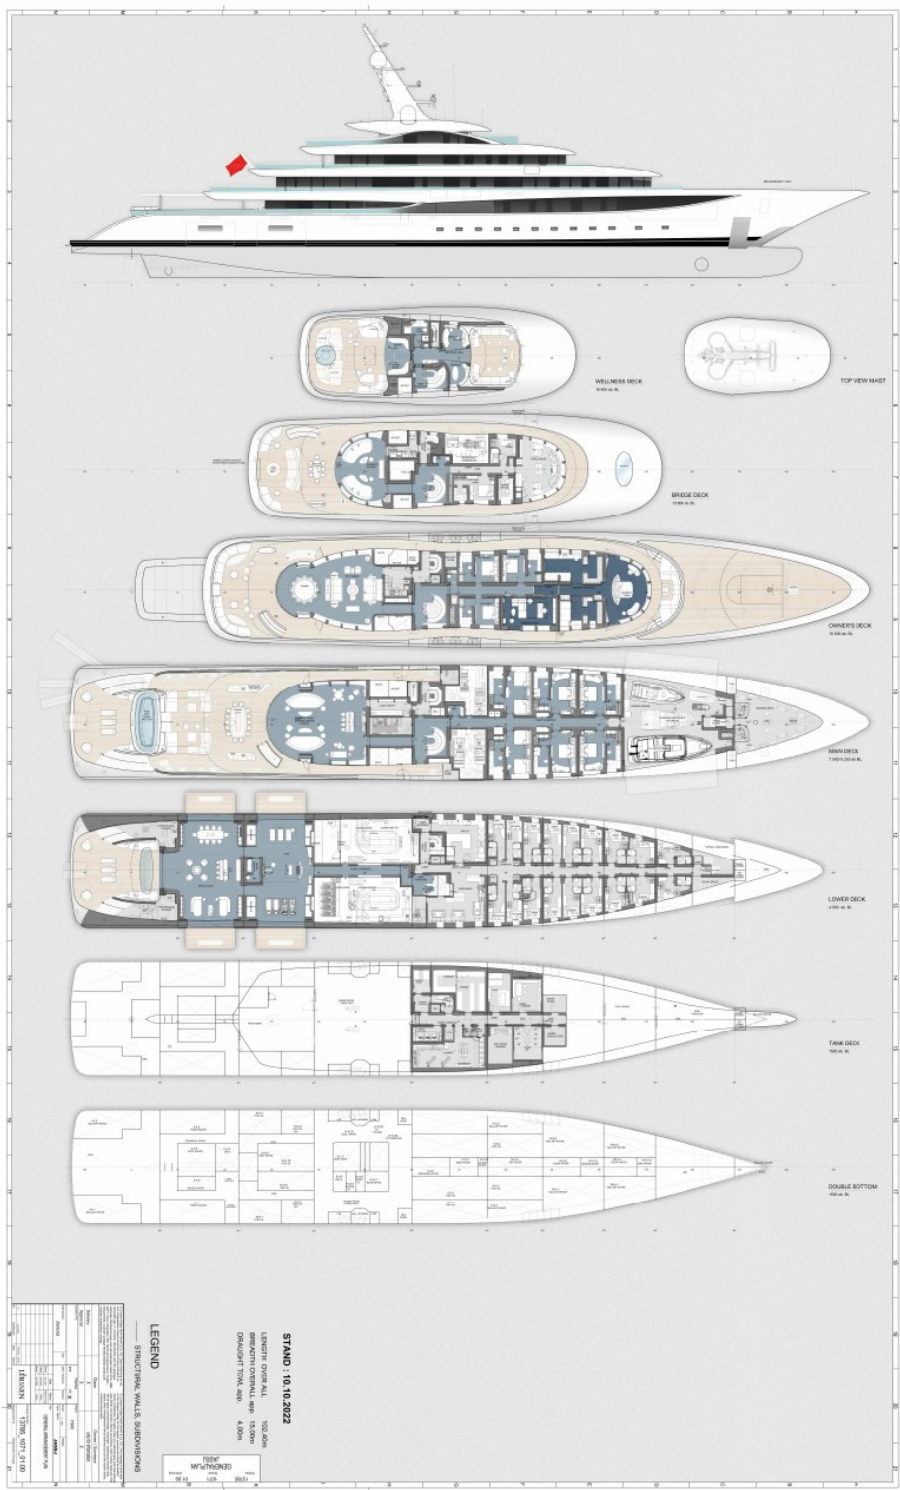

Cruising speed of 12 knots

Impressive cruising speed range of 4,000 nm

Semi-suspended glass swimming pool and jacuzzi

Sauna, steam room, cryotherapy chamber and massage room

Outdoor cinema
