NOAH

OVERVIEW.

NOAH is a striking example of Sunseeker craftsmanship, built to turn heads and crafted to thrill. With expansive deck spaces, a bubbling jacuzzi, and inviting zones for al fresco dining and laid-back lounging, she delivers the ultimate stage for relaxation and celebration under the sun.

Making her debut to the charter market, NOAH offers a fresh and exciting opportunity for guests to experience a yacht that combines modern elegance with effortless comfort. One of her most impressive features is the newly designed beach club – a chic, contemporary waterside lounge with extended teak decking, a sleek stainless steel shower, and twin sunloungers perfectly positioned for soaking up the rays or slipping straight into the sea. Whether you are diving into turquoise waters or sipping cocktails by sunset, this is your front-row seat to the ocean.

Inside, NOAH is a masterclass in modern comfort. Accommodating up to 10 guests across five beautifully appointed cabins, her interiors are a calming blend of warm walnut wood, soft taupe, and creamy oyster tones. Floor-to-ceiling windows in the main deck lounge flood the space with natural light, creating a seamless connection with the seascape beyond. Subtle textures and plush fabrics invite you to unwind in style, from the serene cabins to the spa-like en suites.

Outdoors, the mood continues with a refined neutral palette and light grey upholstery that blends effortlessly with the horizon. Every element on board has been thoughtfully curated to offer guests a sense of quiet luxury that will stay with you long after the voyage ends.
