NOMAD

# OVERVIEW.

If you're seeking a unique charter adventure, look no further – you've found it. NOMAD is both the name and the spirit of this yacht as she follows the path less travelled. Truly a free-spirited wanderer, NOMAD will not fail to enthrall, offering more life-enriching experiences than any other yacht.

As you traverse the exotic and pristine backwaters of the world, NOMAD's skilled 13-member crew provides a seven-star service. Whether you've spent the day climbing a volcano or zip-lining through a jungle canopy, her impressive 14.3m (47ft) chase tender, fully kitted out for sportfishing, is ready at the drop of a hat to swiftly deliver you back to the yacht in time for a sundowner cocktail in the jacuzzi.

NOMAD offers an array of toys around its expansive inflatable dock and seapool. With an inflatable slide from the sun deck, three waverunners and wakeboards towed by the yacht's ski-boat, there's no shortage of entertainment.

The main deck master suite, with its walk-in wardrobe and en suite bath and shower room, spans the full beam. In the morning, unfold your private balcony and savor a private breakfast above the waves. With a VIP cabin next door, NOMAD caters to various groups, from friends and young families to multi-family parties.

For an extraordinary experience, an immersion in unspoiled nature, and an appreciation for the world's wonders, NOMAD is the adventurer's yacht of choice.
