

NORFOLK STAR

NORFOLK STAR

OVERVIEW.

There is no greater feeling of elation than powering along under a cloud of sail, harnessing the wind and embracing nature's gifts. You can experience this purest of child-like joys on board the immaculate NORFOLK STAR, cruising from one dazzling anchorage to the next to the exhilarating sound of water rushing past her gleaming deep green hull.

All the guest spaces are line-free, making her entirely family friendly and safe for your young pirates. Her main cockpit, accessed from both side decks, is split into two areas: one with comfortable seating around a circular coffee table, the other serves as a comfortable dining area. For sun worshippers there is a large raised sunpad area on the aft deck behind the shaded cockpit, or you could sunbathe up forward, sailor-style in a hammock or on sun loungers.

The cherry wood panelled pilothouse, with its lounge, desk and wraparound views, is separated from the cockpit by doors on the port and starboard side, giving guests privacy while underway or at anchor. From the pilothouse steps lead down aft to the guest cabins and forward into the main lounge with its cosy lounge to port, extendable walnut table to starboard, another dining option, and large portholes.

She welcomes six to seven guests in three cabins. The master cabin is full beam and has a walk in wardrobe, a separate study area and a bathroom with marble-topped bath. She also has two twin cabins with generous en suites, one with an additional pullman child's berth, making her perfectly suited for families.

If you're looking for wonder and adventure on the high seas, let our broker navigate you towards the NORFOLK STAR.

Key features
