

NORTH STAR

Refitted in 2021 and perfectly maintained, NORTH STAR is in impeccable condition, with lavish but contemporary interiors, and all the luxury amenities needed to create an unforgettable charter experience.

The interior spaces prioritise both comfort and style, with spaces meant to host large groups with ease. The interior spaces on NORTH STAR are adorned with muted colours while splashes of colour throughout the boat make the space feel lively and fun.

The exterior spaces are designed to maximise guest enjoyability, with copious comfortable seating options, spacious deck spaces offering both shade and sun, exceptionally easy access to the water and watertoys with a stunning beach club. The sun deck pool, surrounded by sun beds for ultimate relaxation, is a highlight for all guests. The sun deck also includes a bar, meaning a cocktail is easily delivered to guests enjoying the sun set, as well as a shaded dining area to enjoy an extravagant lunch with respite from the sun's rays. The bridge deck aft is complete with a large dining table, surrounded by views of the paradise around you, and with space for all your guests to enjoy meals together. The beach club offers an exceptional crescent couch to sit back, relax, and take in the action while those more adventurous dive in the blue water, take the jetskis for a spin, climb on the floating inflatable tower, and make the most of the watertoys at their disposal. If you're not exhausted from watersports and a day spent in the sun, there is also a gym in the beach club, complete with a treadmill, elliptical, and weights.

NORTH STAR is built to please. With the emphasis on luxurious spaces and endless amenities, she is the perfect charter yacht for the trip of a lifetime.
