

O'MADELEINE

O'MADELEINE

OVERVIEW.

A masterpiece from the renowned GY60 series, this under-construction superyacht is set for delivery in June 2025. At 60m (197ft), her exterior is defined by sharp lines and longitudinal windows, giving her the illusion of being even longer.

Inside, designers have blended Nordic and Mediterranean influences (picture light oak and bright tones) paired with soft, sculptural custom furniture to create a relaxing, domestic feel. As well as this, high-end materials evoke a strong sense of opulence and craftsmanship, from finely grained wood-panelling and textured stingray leather to the handwoven rugs and hand-carved marble. Your home away from home.

12 guests are accommodated across seven sumptuous cabins, arranged as one master, one VIP, three doubles, and two twins, for a highly versatile layout.

The sun deck includes a gym with en-suite facilities, a fore-lounge with a custom-designed jacuzzi, sunbeds, and an outdoor cinema equipped with a projector. Wellness is a central part on board O'MADELEINE and, not just confined to the sundeck, the innovative beach club includes a spa lobby bar and lounge, a hammam, and ample storage for watertoys.

To whisk you ashore and see you exploring your chosen cruising location in style, two tenders (7m and 5.6m) are available. A professional charter crew of 15 ensures a seamless and luxurious experience for all.
