---

O'MATHILDE offers chic charter living with an added dose of fun. Built in 2018, she is impeccably presented with superb modern design, a huge choice of watertoys and a great charter reputation.

The perfect way to start a day on board O'MATHILDE is with a reviving workout in her fully equipped outdoor gym with spectacular sea views. Make your way to breakfast on the upper deck aft, where everyone is already busy planning their day's activities and adventures while enjoying the delicacies freshly prepared by the chef.

It is impossible to resist the allure of the water when you have such an extensive watertoy inventory at your disposal. Test your balance on the fast and fun jetsurfs, find your inner speed demon on the jetski, or give your snorkelling a boost with one of the underwater sea scooters. There is a wide range of toys to keep the whole family entertained. If water isn't your thing, take a trip ashore to tour the local coastline on one of the yacht's bikes; the handy e-bike option makes light work of steeper inclines.

Everyone comes together for a delicious lunch of freshly prepared local produce on the sun deck. After the morning's exertions, why not recline on the nearby sun pads located next to the inviting jacuzzi, while the yacht's attentive crew provide a steady stream of refreshments from the sun deck bar.

The captain lifts the anchors to take you to a new destination for the evening, so kick back and relax with a movie on the state of the art projector system from the comfort of the main deck aft sofa while underway. You arrive in the bay of a vibrant port town as a high tea with champagne is served, and the captain selects a prime anchorage for breath-taking evening views.

Retire to your 70sqm owner's suite on the upper deck to change for the evening. The luxurious suite features a beautiful marble bathroom, large walk in wardrobe, private lounge and office. The remainder of the guest accommodation is very well appointed, including a VIP suite, three doubles and two twin cabins, while zero speed stabilisers assure comfort on board. The yacht's Studio Vafiadis design features cream walls and furnishings complemented by dark wood and bright pops of colour from contemporary art.

Romantic cocktails and canapes are served on the spectacular bridge deck, followed by a light dinner on the upper deck aft before you head into town by tender to sample the fun local nightlife.
