---

# OVERVIEW.

Cruising through the Greek Islands has never been so glamorous as aboard OASIS. Her captain's knowledge of the Ionians and Aegeans will take you to secret beaches and secluded anchorages on board a stunning yacht with open decks and comfortable lounges, chic bars and intimate nooks.

Morning sun caresses the wood panelling in your generous master cabin as you wake each morning. After luxuriating in your crisp white sheets, slip a kaftan over a swimsuit and you're ready for an al fresco breakfast – served only a few steps away.

As a light breeze touches the deck, you join your family and friends for breakfast. A spread is laid out to tempt every appetite - the children enjoy pancakes while you decide on chef's freshly-baked pastries. The excited conversation soon turns to the day ahead.

The beach club opens up on either side of the swimming platform astern to reveal a sea level terrace for your morning yoga ritual, or just to sit and hang out. Astern the watertoys are tethered to the wide swim platform, from here you can take out a paddleboard or jetski. A sturdy swimming ladder offers safe water access.

OASIS has four decks of living space. As well as the beach club, the lower deck hosts four guest suites. There is another VIP guest suite on the upper deck. You know that your party of 12 will be comfortable with stabilisers at anchor as well as underway, this yacht is as steady as they come.

The top deck is laid out as an outdoor lounge, with a huge dining table next to the bar, plus sofas, sun loungers and a 12-person jacuzzi. The children race ahead up the external stairs that link the aft decks. Enjoy the 360-views from under the shade of the hardtop as chef sparks up the BBQ to create a seafood lunch.

Afternoon plans for a trip ashore are underway, and some of your party are dropped at the quay of the local village in the impressive 6m (19.7ft) Castoldi tender. You are taking a scuba safari with the SeaBobs. The yacht has nine experienced crew, so you know that you are all in safe hands.

After an exhilarating hour exploring caverns you are ready for R&R in the jacuzzi. The sun begins to dip as others join you, and the cocktails circulate. Later you dress for dinner, followed by a movie on the yacht's new entertainment system, but right now you sit back in the spa and watch the happy faces around you.
