OVERVIEW.

The Benetti OASIS 36M is a sophisticated evolution of the acclaimed Oasis series, blending contemporary design with an even greater emphasis on life at sea. Developed in collaboration with RWD and Bonetti/Kozerski Architecture, the 36-metre superyacht features expanded outdoor living areas centred around an enlarged Oasis Deck, creating an exceptional connection to the water and offering generous spaces for relaxation, entertaining, and waterfront enjoyment.

Designed around owner experience, she combines bright, open interiors with improved efficiency and extended at-anchor capability. A redesigned hull enhances fuel economy, while innovative engineering and optional hybrid propulsion contribute to quieter, more sustainable cruising. With accommodation for up to 10 guests and a seamless blend of luxury, performance, and practicality, Benetti's OASIS 36M represents a fresh and forward-thinking addition to the modern superyacht market.
