

OCEAN CLUB

A 50m with all the water toys, speed and style, OCEAN CLUB won The World Superyacht Award for Best Semi-displacement and Judge's Special Commendation in 2010.

With her interior designed by Patrick Knowles, OCEAN CLUB reminds guests of the glamorous old Hollywood era. Colours of grey, cream and lively accents of colour set a playful, yet sophisticated scene. The main deck's formal dining area is located forward of the main lounge and exterior dining can be enjoyed on either the sky lounge aft deck or on the sun deck.

The split-level master cabin on the main deck features an elevated observation lounge with magnificent 270 degree views. The king size bed is situated on the lower level with spacious 'his and hers' en suite and plentiful dressing space. Flexible accommodation below includes four luxurious cabins (one with a pullman berth) and a twin cabin which can convert to a double with additional pullman berth if required.

The expansive sun deck offers large sun pads forward of the jacuzzi, a bar and dining area with good sun shade and a large seating area on the aft. Further seating and sun pads on the Portuguese bridge provide yet another area to relax and enjoy the sea views!
