

OCEAN PARADISE

OVERVIEW.

OCEAN PARADISE is in equal parts cool metropolitan penthouse, fun-focused floating resort and relaxing sanctuary of calm. With her zen-like contemporary design and adaptive mood lighting complemented by huge windows to showcase the ever-changing seascape, she offers a unique, lifestyle-enhancing experience on the water.

Start your day with an intimate breakfast for two on the private balcony of the master cabin, which is richly decorated with a plush carpet, uplifting lighting and an elegant monochrome scheme. Make your way past the zen garden to join everyone enjoying a delicious breakfast in the main deck lounge, followed by coffee on the aft deck to plan your day with the captain.

Watersports are always a popular morning activity, and OCEAN PARADISE has a large array of toys to keep you entertained. Take a tender trip to a nearby reef for a snorkel or scuba safari, or stay closer to home with the jetskis, waterskiing and wakeboarding gear. There is a wide range of towable and static inflatables for all the family, then test your mettle on the large inflatable slide off the top deck. The extended beach club swim platform is a great base for your antics, as you can rinse off in the shower, lounge and enjoy refreshments between spells in the water.

A busy morning makes for a big lunchtime appetite, so head up to the sun deck for a relaxed lunch of grilled lobster, fish and meats freshly prepared by the chef on the BBQ. With the air of an exclusive rooftop members' club, you can while away a few hours on the sun deck with its waterfall jacuzzi, panoramic views and choice of vibrant lounging settings. Alternatively, catch a movie in the futuristic sky lounge with sumptuous velvet seating while the yacht moves to a new anchorage for the evening.

Before dinner, change in the well appointed guest accommodation for 12 in six cabins. As well as the full beam master suite, there is a VIP suite on the upper deck, and the lower deck features four cabins including two doubles, and two convertible twin cabins with additional pullman berths. Zero speed stabilisers promise ultimate comfort at anchor, both day and night.

Creative cocktails are expertly mixed at the upper deck aft bar before an Asian fusion banquet. Then head to your own private nightclub in the sky lounge, with its illuminated bar, atmospheric lighting and DJ booth. OCEAN PARADISE offers a blissful experience, whatever you are looking for.
