

ODESSA

OVERVIEW.

Spread over three decks, ODESSA boasts a combination of exceptional outdoor living areas, generous guest areas, and accommodation for up to 12 guests, giving the impression that she is much larger than her length. Designed for cruising in absolute comfort, she is the ideal charter yacht for al fresco living. Her sun deck has an oversized sun deck surrounded by sunpads, adjacent to a shaded seating area and large bar. Forward there is the Portuguese bridge with optional awnings. The bridge deck has a large shaded dining area and a large seating area with coffee tables surrounded by a huge sofa, while the main deck aft has further lounging options.

ODESSA's award winning minimalist interior is warm and inviting. A modern design, it is a combination of vertical grain walnut joinery, wide-plank walnut hardwood floors, and neutral marbles. Textiles and furnishings by Armani Casa are both comfortable and sophisticated and are complemented by an intelligent use of creative ambient lighting that changes the mood for differing scenarios.

Her elegant main lounge and formal dining are divided by an aquarium panel, with cosy seating around coffee tables at the centre, with walkways either side for access to the dining area with seating for up to 12 guests. The sky lounge is less formal and has a huge L-shaped sofa opposite an L-shaped bar. Up to 12 guests are accommodated in a full beam master suite with separate office, a VIP cabin, three double cabins and one convertible double/ single cabin with an additional pullman berth.

Splendid leisure facilities and a huge inventory of watertoys have ensured ODESSA's reputation as an exceptionally popular charter yacht.
