OKSANCHIK

# APERÇU.

**If you're looking for the high-octane thrill of a sports yacht that's also stylish, supremely comfortable and spacious enough for a party of ten, the 34.5m (113ft) Sunseeker OKSANCHIK is the one. With three double cabins and two twins, plus a good choice of large social spaces and intimate nooks on board, and an experienced crew of five, she's ideal for a family or a group of friends.**

Breakfast in Monaco, lunch in Portofino and dinner in Elba? No problem at all. Cruising at 24 knots – twice as fast as most superyachts – you can cover that distance in a day. When you charter OKSANCHIK your itinerary will give you the full range to explore your cruising ground.

On board life is just as good. Your full-beam master suite at the front end of the main deck is a lovely place for a relaxing lie-in. When everyone's up, you can linger over a late breakfast together in the shady main cockpit. Then climb up to the sundeck and blast along the coast with the breeze in your hair and magnificent views, beating other yachts to a lovely anchorage with plenty of time for your captain to pick the best spot to anchor before all the others arrive.

With an accomplished Italian chef on board, lunch is bound to be a treat. Fritto misto, perhaps? Before then you've time for some watersports - there's a brand-new jet-propelled RIB ready for action, loaded with waterskis and wakeboards and towable toys, plus a new jet ski, three SeaBobs and a Fliteboard. If you prefer a bit of gentle exercise try a paddle board or kayak for a chance of pace. There's always the option to just stay up there on the sundeck, slip into the jacuzzi and sip a glass of Champagne.

For a change of scene after lunch, why not head off to that island on the far horizon? With the throttles wide open you'll be there in no time at all. Step off the swim platform for a bit of snorkelling, or soak up the sun on the comfortable foredeck while the others splash about. As the sun goes down, there's still time for cocktails on the sundeck, or the main deck balcony, before you point her bow towards those twinkling lights for a night on the town...
