PANAKEIA

# APERÇU.

With expansive decks and contemporary interior styling, PANAKEIA is a modern, comfortable superyacht with plenty of natural light, a beach club and elevator.

The stylish guest entertaining areas include a vast main saloon with two sofa areas and a bar, leading out to the aft deck. The main feature of the sky lounge is a sheltered indoor/outdoor dining section with sliding glass doors, offering 180 degree views across the upper deck and out to sea. PANAKEIA provides accommodation for up to 10 guests in five en suite cabins. The full beam master suite includes a study, walk-in wardrobe and his and hers bathrooms.

PANAKEIA was made for living outdoors. The spacious, uncluttered sun deck has a covered dining table, a Jacuzzi, bar, outdoor grill and aft seating area with spectacular views. Two double sun pads are positioned forward of the bridge, and further lounging space is available on the stylish upper deck. An enclosed beach club, with a day bed and sofa, looks out over the wide, fold-down swim platform.
