PANTERA

APERÇU.

PANTERA is a stunning example of the successful Azimut Grande 35 Metri series, seamlessly merging advanced technology with timeless design. Ideal for those seeking luxury, performance, and style, this superyacht delivers an exceptional experience on the water. Designed by Stefano Righini, PANTERA showcases a striking, streamlined profile paired with a spacious flybridge, perfect for relaxing, dining, and taking in sweeping ocean views. Generous glazing throughout floods the interior with natural light, enhancing the sense of openness. Inside, Achille Salvagni has crafted an elegant setting defined by soft neutral tones, layered textures, and meticulous attention to detail, creating a refined onboard ambiance.

PANTERA accommodates 10+2 guests across five beautifully appointed cabins, including a full-beam master suite on the main deck. This impressive space features a private study, walk-in wardrobe, luxurious en-suite bathroom, and a fold-out balcony. Four additional guest cabins on the lower deck are equally well designed, each offering en-suite facilities and ample storage. The yacht also accommodates a crew of seven across four dedicated crew cabins, ensuring seamless service throughout.

Powered by twin MTU engines, PANTERA reaches a top speed of 26 knots and cruises comfortably at 21 knots, with an economical cruising speed of 12 knots. Her advanced hull design ensures a smooth, stable ride even in more demanding sea conditions, while zero-speed stabilizers minimize roll both at anchor and underway for maximum comfort. Onboard, PANTERA offers an array of amenities typically found on larger yachts, designed for both relaxation and entertainment. The beach club provides a chic, sea-level retreat with direct water access, while the foredeck invites guests to unwind on generous sunpads or enjoy the Jacuzzi. For added privacy, the sought-after third deck offers a secluded haven for sunbathing and quiet relaxation.

PANTERA has never been chartered and has been carefully maintained by just two owners since her delivery in 2019. She is readily available for the season, with a clean 5-year RINA class certificate following completion of her special survey in April 2026. Featuring an 8.2m Cobra chase tender and competitively priced, PANTERA represents one of the finest opportunities currently available on the market.
