PAPA

# OVERVIEW.

Delivered in 2019, PAPA has proven herself to be one of the most popular yachts on the charter scene. Coupled with her exotic South East Asia itinerary and alfresco offerings, she is set to exceed expectations.

Built by Amels Holland with exteriors by Tim Heywood and interior design by Laura Sessa, PAPA exudes calmness throughout. A tasteful bright and clean colour palette offers a sense of space and tranquillity. Accommodation is for 10 across five cabins including a spectacular owner's suite found on the main deck which comes complete with a spacious lounge, office and private balcony. Three further double cabins plus a twin are located on the lower deck.

A main saloon complete with formal dining area and side balconies and the sizable sky lounge offer the perfect respite from the mid-day sun.

Outside, PAPA's exterior space is where she excels. There is a vast sun deck complete with outdoor cinema, sun lounging pads and a large jacuzzi. Dining options are also plentiful with a Teppanyaki bar on the sun deck and an alfresco dining area for 10 on the bridge deck. Forward of the bridge there are two sunpads – ideal for sightseeing as the captain pulls into port.

PAPA also offers a plethora of watertoys. Including SeaBobs, stand up paddleboards, inflatables and so much more for the whole family to enjoy. Family entertainment is at the very heart of PAPA, and the crew look forward to welcoming you on board soon.
