PERLE BLEUE

# OVERVIEW.

A fine, classically elegant motor yacht, designed with meticulous attention to detail, PERLE BLEUE offers ideal deck areas for outdoor living. Her sumptuous sun deck with a jacuzzi and huge lounging areas, including sunpads and sofas, also boasts a large curved bar with fixed seating for 10 guests and a Teppanyaki bar. The upper deck is also a great venue for relaxing with lose sofas and a dining table for less formal occasions.

PERLE BLEUE's sky lounge is inviting and comfortable. Designed in a New England beach house style, the warm blend of colours combined with neutral soft furnishings make this an ideal retreat after a day in the sun. Later on, retire to the elegant lounge on her main deck, which is the most formal of her guest spaces. Unique pieces of art are complemented by a rich colour palette and the entire area is bathed in natural light which pours in through the panoramic windows. Along with the sumptuous seating area there are two card tables, which when combined and extended can be transformed into a large formal dining table with seating for up to 12 guests.

PERLE BLEUE has one of the largest volume interiors possible in a yacht of her size, allowing for a full width master cabin on the main deck, two double cabins and two further convertible double or twin cabins with three additional pullman berths.

With all the very latest communications and entertainment systems, and a wide range of watersports equipment, PERLE BLEUE is a proven successful charter yacht and is perfect for any type of charter, be it with family, friends or colleagues.
