

PERSEFONI I

OVERVIEW.

Looking through the skylight, at the stars above your plush king-sized bed in PERSEFONI I's master suite, you reflect on your amazing day. It seems ages ago that you started today in this wonderfully luxurious suite. Taking in the view from your private balcony, you'd enjoyed coffee while pausing for your partner; they were taking a relaxing morning bath in your stylish en suite bathroom. The golden morning light had gradually enveloped the hills around the chic bay as you reflected on the years you've spent together. Today was a special birthday they would never forget.

You'd both met your close friends and family for champagne breakfast to a chorus of 'Happy Birthday' and PERSEFONI I's highly professional crew had included some surprises on the immaculately laid table. Fresh pastries, fruit, and coffee were enjoyed before relocating to the sky lounge on the deck below where PERSEFONI I's crew had magically transformed this beautiful space to an area to open presents. While your partner enjoyed some personal time and treatments in the massage room, you'd caught up with gossip with your friends. PERSEFONI I had cruised effortlessly along the coast and from the al fresco lounge area, you had appreciated the country's beautiful and varied coastline.

On arriving at your secret destination, some of your party had headed for the sun deck with its jacuzzi, wet bar area and large sunpads, the younger members went to watch a movie. You and your partner had different plans: each jumping on a Waverunner to skim across the water together before returning to make the most of PERSEFONI I's collection of toys. You tried your hand at E-foiling, snorkelling with the SeaBobs, and wakeboarding before lunch.

Once again PERSEFONI I's chef and staff outshone themselves with a delightful spread inspired by local cuisine, enjoyed in the shade on the al fresco dining area on the upper deck.

Post lunch, you'd relaxed in the warm sun, before meeting the rest of your party to test PERSEFONI I's collection of inflatables to the limit, your limit, not theirs. Everyone had ended up in hysterics at the towed antics of others.

After freshening up you'd enjoyed private cocktails in your suite before meeting everyone for drinks and dinner. And what a dinner it had been. Exceptional cuisine for course after course from start to finish followed by drinks with the special people in you and your partner's life. What a day!
