

# PHOENIX 2

---

# OVERVIEW.

With many unique attributes, including a duplex master suite, winter garden and more amenities than one could dream of, PHOENIX2 is the ideal choice for those looking for a highly sophisticated charter.

Guests boarding PHOENIX2 from her large beach club will find palatial steps leading up to the main deck, from which further steps spiral up to her upper deck. Here you can enjoy the indoor-outdoor lifestyle in the winter garden: a stunning lounge area and dining room with sliding glass walls so guests can experience dining al fresco or climate controlled comfort should the weather turn.

Once settled on board, relax on the sun deck with a large jacuzzi and pool surrounded by sun pads, before enjoying a long, lazy lunch in the winter garden. Come the afternoon, it's time to play on the yacht's watertoys, under the crew's expert guidance. Late afternoon you can work out in the gym, with views over the helideck as your captain steers PHOENIX2 to your next anchorage. For a slower pace, step out onto the large beach club for a sunset yoga session or simply head for the spa with a sauna, Turkish bath, and massage room, where you can relax with a treatment from the onboard masseuse. Refreshed and revived, head to the beauty salon and prepare for the evening ahead.

Evening time is when PHOENIX2 comes into her own. Head to the Art Deco skylounge bar, reminiscent of a glamorous 1930s style Manhattan club, to sip a martini accompanied by the self-playing Steinway piano. Step through to the winter garden dining area, where a stunning tablescape accompanies delicious cuisine prepared by the Michelin-star trained chef.

Follow dinner with a movie night in the Radio City Music Hall-style cinema room, with tiered comfortable seating and New York skyscrapers decorating the walls. And when it's time for bed, the split-level duplex master suite beckons. Located on the main deck, a private glass staircase connects the accommodation to the observation lounge with 180-degree views over the bow and access to a private terrace with spa pool.

Other guests retire to six guest cabins, all served by a central elevator. The full-beam lower deck suite can convert to two doubles, while two guest staterooms on the main deck can be combined with the master to create a family apartment. A further two VIP staterooms are located on the upper deck. Combined, they provide the ultimate haven for large families or groups of friends.

## Key features

---

Hydraulic swim platform

---
