PICK UP

APERÇU.

PICK UP is a 46m/151' luxury yacht for sale built by Sanlorenzo in 2011 and extensively refitted in 2025. Constructed with a steel hull and aluminum superstructure, she combines proven long-range cruising capability with elegant exterior styling by Francesco Paszkowski and contemporary interiors by ACUBI. Powered by twin 2,010HP Caterpillar engines, she offers an impressive range of 2,600 nautical miles at 11 knots.

Fresh from her comprehensive 2025 refit, PICK UP is presented in outstanding condition. Her timeless exterior design emphasises generous outdoor living, with expansive entertaining areas across every deck. The main deck aft features an inviting lounge area, while the upper deck aft offers an elegant setting for alfresco dining and social gatherings. Forward on the upper deck, guests can enjoy a private seating area with panoramic views while underway. The sundeck is the yacht's signature outdoor space, complete with a large dining table, fully equipped bar, generous sun pads, and sun loungers, creating the perfect setting for entertaining from morning through sunset.

Designed by ACUBI, the interior is bright, sophisticated, and welcoming, with generous volume throughout. Panoramic windows flood the main salon with natural light, seamlessly connecting the elegant lounge with the formal dining area. The upper sky lounge offers a more relaxed atmosphere, ideal for quiet evenings onboard.

PICK UP accommodates eight guests across four beautifully appointed staterooms. The full-beam Owner's Stateroom, located forward on the main deck, features a private office, walk-in dressing area, and spacious ensuite, providing an exceptional private retreat. The lower deck comprises two VIP staterooms and one twin stateroom, each with ensuite facilities, ensuring every guest enjoys comfort and privacy.

Additionally, PICK UP features a spacious beach club that provides effortless access to the water, alongside a dedicated gym for maintaining an active lifestyle while cruising. With her robust steel construction, long-range capability, and elegant Italian pedigree, PICK UP is equally suited to private family cruising or a successful luxury charter program.

Principales caractéristiques

Contemporary ACUBI interior design
