PLAYA

OVERVIEW.

Delivered in 2018, PLAYA is a Lynx YXT 27 support yacht designed to add serious capability, storage, and flexibility to a primary yacht, while also delivering a level of comfort rarely found in this category. With award winning exterior styling by Bernd Weel, she combines purpose built deck utility with a highly usable guest and crew environment.

Built to full yacht standards, PLAYA features a spacious main lounge and accommodates up to three guests in her VIP cabin. Her expansive aft deck and beach-club-style arrangement provide a highly versatile platform for tenders, toys, vehicles, and adventure equipment. A dedicated gym, sauna, steam room and hyperbaric wellness chamber further enhance her appeal for active owners seeking a focus on fitness, recovery, and wellbeing.

Powered by twin Caterpillars, PLAYA offers an outstanding support solution for owners seeking to expand the lifestyle, range, and capability of their wider yachting program.

Key features

Support yacht capability with a level of comfort rarely found in the category

Dedicated gym, sauna, steam room and hyperbaric wellness chamber

Comfortable main lounge and guest accommodation for up to three guests

Mission ready aft deck for tenders, toys, vehicles and adventure equipment

Beach club and watersports platform with seamless access to the water
