

POLESTAR

POLESTAR

OVERVIEW.

Ideal for long-distance ocean adventures, POLESTAR has the capability to cruise almost anywhere with ease. Yet this 70m, quad-deck expedition yacht is equally perfect for a relaxing luxury holiday in the Western Mediterranean, where her winning combination of contemporary style and timeless elegance is sure to make a stunning first impression in every port and anchorage you decide to grace with her presence.

Designed to host up to 12 guests and built to a unique, full custom design by the esteemed Italian shipyard Rossinavi, POLESTAR has a first-class pedigree. She hits that sweet spot of being a state-of-the-art vessel with a near pristine standard of finish while also having a proven track record of excellence. After two seasons of cruising, her impeccably well-drilled crew of 18 has the expertise and experience to deliver flawless levels of service.

The interior spaces on board are bright and comfortably elegant, finished in a contemporary-classic style with floor-to-ceiling windows. The tastefully opulent master suite is on the upper deck with an elevated, 180-degree panoramic view of the seascape through forward-facing windows and a large, fully private outdoor terrace.

With seven separate outdoor areas on five different levels, there is a real sense of space on board. One of the highlights is a superb lounge with long, plush sofas in deep, cool shade on the main deck aft with a big, glass-fronted jacuzzi pool. The onboard wellness facilities are another stand-out feature a white marble sauna and a large, fully equipped gym that opens fully on one side to make the most of the ocean view and breeze.

Her 10-metre full custom limousine tender will draw admiring glances wherever you step ashore. She also carries a large, powerful RIB for wakeboarding and towable toys. There's a fleet of five jet skis to suit all skill levels as well as four SeaBobs and an e-Foil, a Jetsurf and a Flyboard for high-octane waterborne fun. Her inventory also includes SUPs and plenty of scuba diving gear, plus four e-bikes and seven electric scooters for zipping around on shore.

Whatever you want from a charter holiday, this magnificent yacht will deliver it for you.
