PRINCIPESSA CAPRICCIOSA

APERÇU.

PRINCIPESSA CAPRICCIOSA is a striking 38m Columbus delivered in 2026, showcasing a contemporary Italian design philosophy centred on space, light and a seamless connection to the sea. Designed inside and out by Hot Lab, she combines sleek, elongated lines with expansive glazing and sophisticated interiors that feel both elegant and inviting.

Her standout feature is the exceptional outdoor living space, with a beach club, fold-down terraces and an infinity pool creating a spectacular waterside retreat. Multiple lounge and dining areas offer the perfect setting for everything from relaxed family cruising to stylish entertaining.

Accommodating up to 12 guests in five beautifully appointed cabins, including a full-beam owner's suite, PRINCIPESSA CAPRICCIOSA delivers comfort, style and practicality in equal measure. Powered by twin MAN engines, she cruises at 19 knots and reaches a top speed of 22 knots, offering impressive performance alongside her refined aesthetic.

A standout addition to the Columbus fleet, PRINCIPESSA CAPRICCIOSA perfectly embodies modern Mediterranean yacht living.
