

PROJECT X

OVERVIEW.

Welcome to the world of superyacht PROJECT X. Combining the very latest in design, technology and style with the highest standards in quality, service and entertainment, this brand new yacht has been built to turn heads.

She is the latest masterpiece to emerge from Golden Yachts and Ken Freivokh with a design carefully and meticulously penned by Massari Design studio with significant input from her owner to create the ultimate luxury yacht charter.

An interior flooded with natural light, redefines the connection with your surroundings and nowhere is this better expressed than in her uniquely impressive glass elevator and atrium. Other alluring features include a large private owner's deck with jacuzzi and sun lounging terrace and sensational views through full-height windows in the master suite and lounges. The main deck is home to a large pool on the aft deck with vast sun bathing facilities and bar.

PROJECT X accommodates up to 12 guests in nine guest cabins, each with their own colour scheme. Additionally, on board a corporate yacht charter guests can enjoy the impressive full beam office/ conference room with separate PA/ secretary facilities on upper deck forward. Complete with panoramic views, active charter guests can make the most of the unique enclosed gym on sun deck with day room and direct access to large jacuzzi area and sun pads.

Steps lead down to a large and welcoming beach club with sauna, hammam and massage/beauty room. It also features a seating area, a bar and TV entertainment area.

Guests on board a private yacht charter on PROJECT X can also enjoy exclusive use of the 10m Onda Limousine tender and the impressive 9m Pedrazzini Vivalle classic tender.
