

PROMETHEUS I

OVERVIEW.

Swift and spacious, classic and fresh – that’s PROMETHEUS I. Built by the elite Heesen shipyard and offered for charter in immaculate condition after a comprehensive refit, she’s a notably charming and tastefully distinctive 45m fast cruising yacht with an elegant interior and an expansive sundeck.

Designed to host up to 12 guests on board in five cabins with attentive service from a crew of 10, PROMETHEUS I is a perfect platform for your holiday getaway with family or friends. She is impeccably maintained and offers high levels of luxury throughout all three decks of interior accommodation and in each of her outside spaces.

One of her highlights is the superb master suite, up front on the main deck. This private retreat has a separate office and walk-in closet in addition to the full-beam main cabin, plus an impressive en suite bathroom with a beautiful mosaic finish and a free-standing bathtub.

Two of the lower deck guest cabins are VIP double suites. The other two are triples, each with one double and one single bed. The guest accommodation is a versatile configuration which most charter groups will find to be ideal.

The large social spaces on the main and upper decks have a comfortable, smart-casual vibe and they both flow almost seamlessly onto spacious and sheltered open-air decks facing aft. The upper deck sky lounge is a snug and relaxing lounge bar that leads out to the yacht’s main al fresco dining area with a 12-seat table in cool shade, plus a large L-shape of sofas in full sun astern.

The main deck lounge has an opulent finish and is furnished in fine contemporary style. This is the main social hub on board with expansive sofas, a very large TV/movie screen and a separate 10-seat dining area. Moving aft, the lounge flows out through a grand lobby area with a great sense of space into an outside lounge with sofas, sunpads and steps leading onto a broad bathing platform.

She has a 7m tender for beach landing expeditions and fast, comfortable transfers between ship and shore. Her inventory of watersports gear includes high-spec Sea-Doo jetskis and SeaBobs, a trampoline, waterski kit for all ages, inflatable tows and more. You can explore quiet coves by kayak or paddleboard, or fly above the waves on an eFoil board.

One final great feature is the sun deck lounge with its sociable circle of sofas, cocktail bar and large, elevated jacuzzi surrounded by sun pads. Welcome aboard!
