

PURPOSE

PURPOSE

OVERVIEW.

PURPOSE is fresh from a 2023 refit and has plans to embark on an extended world cruise. Offering you the opportunity to enjoy this fabulous yacht in many different and varied locations. Some are familiar, like the Mediterranean and the Red Sea; others are less travelled, like Greenland, Scandinavia and Canada.

Her interior radiates class: mahogany panelling, fluted pilasters, and signs of quality and workmanship throughout. She is simply stunning with her new carpets, furnishings, and furniture.

Her sun deck has been improved, too, with a new jacuzzi and sun loungers. You can relax in the bar area or destress with the exercise equipment. Those wanting more adventure can delve into PURPOSE's toy box, drop from the sun deck to the water on the 9.1m (30ft) waterslide or try your hand at eFoiling. There are also five PWCs, two SUPs, two SeaBobs, kayaks and a host of towable inflatables, boards and skis to make the most of. Those wanting to explore on land can be whisked at speed on the 9.75m (32ft) Intrepid tender and easily cover ground on the two E-bikes.

After all that activity, it must be time for some food. Where better to enjoy it than in the al fresco dining area on the upper aft deck? Shaded from the sun, it's a beautiful area to enjoy brunch, lunch, or an evening banquet. Although the dining room on the main deck may be more appropriate for formal dining, separate from the lounge and other areas, it can be enclosed for greater privacy, making dining as intimate as you'd like it to be.

Make time to unwind in the lounges. On the main deck is the al fresco lounge area in the cockpit or the main saloon inside. Whether you want to watch TV, practice the piano or catch up with friends or family in the main saloon, its large windows and light furnishings create a wonderful atmosphere. On the upper deck, the sky lounge has a bar area, games table, sofa, and arm seating facing a hidden TV. Movie lovers will love the outdoor cinema on the sun deck, with a bar close by.

The delightful full-beam main master suite is on the main deck. It features a private office, lounge area and spacious en suite bathroom with a large bath. There's a second full beam master on the lower deck, a double VIP suite, a twin-berth suite and three double suites.

Wherever you join PURPOSE, you'll enjoy unrivalled hospitality, luxury and classic style.
