APERÇU.

Q.M., the 2019 Numarine 32XP, is being offered for sale for the first time since delivery. Built for and privately used by her original owner, she has never entered the charter market. Her long-standing crew, who have remained with the vessel since launch, have ensured meticulous care, continuous maintenance, and an exceptional service history.

Custom ordered and beautifully finished, QM features a warm, contemporary interior designed by Esra Kasmirci, balancing rich textures with earth-toned palettes to create a relaxed, family-focused atmosphere. With an impressive 6-cabin layout for 12 guests, she offers a rare private owner's deck on the upper level, a full-beam VIP on the main deck that easily functions as a second master, and four additional ensuite guest cabins on the lower deck, making her one of the most family-friendly explorers in her class.

QM's exterior profile is defined by bold explorer styling, enhanced by her striking ghost-grey hull, signature forward-raked wheelhouse windows, and large sections of glazing throughout. Her outdoor spaces are equally compelling: a full-beam beach club with lounge and day head, generous aft deck dining, expansive sunpads, a superb sundeck with bar and second helm and a highly versatile boat deck equipped with a 3-ton davit offering best-in-class toy and tender capacity.

Powered by twin Caterpillar C18s, QM delivers a 4,000nm range and true long-distance capability. Her well-laid-out engine room, extensive storage, and robust systems make her a standout option for families seeking safe, comfortable, global cruising in a proven hull platform.

QM represents exceptional value on today's market, combining large volume, a rare private owner's deck, a stunning interior, and a long-range steel explorer platform of renowned capability.

Principales caractéristiques

Accommodation for 12 guests in six cabins

Private owner's deck plus main deck VIP

Full-beam beach club with day head

Best-in-class toy capacity with 3-ton davit
