QU2

OVERVIEW.

QU2 is an exceptional 60m Amels Limited Editions yacht delivered in 2026, combining the proven pedigree of the Amels 60 platform with contemporary styling by Espen Øino and a bespoke interior by Winch Design. Elegant, capable and beautifully conceived, she embodies the latest evolution of Dutch superyacht craftsmanship.

Designed for effortless indoor-outdoor living, QU2 offers an impressive selection of guest spaces, including a vast 29m sun deck with jacuzzi, generous al fresco dining areas and a spacious beach club complete with sauna and direct access to the water. A fold-down terrace from the owner's suite further strengthens her connection to the sea, creating a private waterside retreat.

Her nature-inspired Winch Design interior blends pale timbers, stone and marble finishes to create a refined yet relaxed atmosphere throughout her 830GT of internal volume. Accommodation is provided for up to 12 guests across six luxurious cabins, supported by a crew of 13 delivering exceptional service on board.

With hybrid technology, an ocean-crossing range of up to 5,000 nautical miles and the reputation of the Amels Limited Editions series behind her, QU2 is a sophisticated world cruiser perfectly suited to both private enjoyment and luxury charter.
