QUANTUM OF SOLACE

APERÇU.

With a vast array of watertoys, a stellar sun deck and an outstanding spa with gym at the waterline, QUANTUM OF SOLACE is the perfect high energy charter choice for anyone who likes to be kept entertained.

Start your morning with a workout in the gym, with the fold-out balcony lowered providing fantastic views at the waterline. After freshening up, join everyone for breakfast on the bridge deck aft while soaking up the vistas of the bay that inspire your morning's activities.

There is a huge choice of unusual watertoys to keep even the most active guests busy, including a hoverboard, flyboard, jetovator flying bike, jetsurf, Lift hydrofoil and pedalboards, as well as the more typical options like jetskis and waterskis. Those who are in the mood for less speed and more indulgence can head to the spa featuring a large steam room, jacuzzi and massage room, with the sun loungers inviting you to relax on the fold-down balcony.

Lunch is served on the sun deck, while the captain moves the yacht to a new anchorage. The sun deck is perfect for an afternoon of relaxation, with the five metre jacuzzi pool large enough to fit everyone together, surrounded by comfy sun pads for a little sunbathing; the pool has a contraflow swimming system to allow for endless 'laps'.

The bridge deck's cinema is a perfect spot to take in a movie while you recharge for the evening, or alternatively head to the main lounge's bar for an atmospheric drink in the double height atrium while music plays from the piano. QUANTUM OF SOLACE has a timelessly handsome interior décor, with warm creams in contrast to elegant dark woods and touches of black.

To change for dinner, make your way to the vast master cabin with its his and hers bathroom and two private balconies. The yacht sleeps 12 guests in seven cabins; beyond the bridge deck's full beam master cabin, on the main deck there are two VIP suites, two double cabins, one twin cabin and one staff cabin. Zero speed stabilisers provide a comfortable guest experience at anchor.

Sip on a romantic sundowner on your private balcony before joining everyone on the main deck aft to take in the stunning sunset scenery. Walk past the lounge to the dining area to enjoy a feast prepared by the chef before ascending to the sun deck, now transformed for a party with lights, smoke machines, DJ booth, powerful sound system and karaoke machine to keep you entertained until late into the night.
