QUASAR

OVERVIEW.

For guests looking for a seamless indoor/outdoor living on a luxury charter, look no further than QUASAR. This sleek yacht offers speed, space and attitude, with zero speed stabilisers for maximum comfort and a large selection of watertoys for endless days spent on the water.

Designed for multiple family use, QUASAR offers flexible accommodation for up to 12 guests across six comfortable cabins. An innovative layout features two master cabins, the first of which can be found on the main deck and boasts a private office, while the second is on the lower deck and enjoys a private lounge.

While on board, you and your guests can enjoy a variety of excellent deck spaces to make the most of your chosen cruising spot. Modular furniture on the aft deck can be arranged to suit your lifestyle, including transforming into a dedicated lounge area for younger guests.

The sun deck is the ultimate place for socialising. Unwind in the glass-fronted jacuzzi or on the loungers, or sip cocktails in the lounge area serviced by a bar. In the evenings, retire to the main deck lounge which comes complete with a cinema screen for catching up on the latest Hollywood movies, or spend time in the upper saloon which is seamlessly connected to the outdoor decks.

To keep you entertained, QUASAR's toy box is brimming with the latest gear. From jetskis and SeaBobs to kayaks and paddleboards, you'll be spoiled for choice. And when it's time to travel from land to sea, it couldn't be easier with a 9.44m (31ft) Boston Whaler.
