QUASAR APERÇU.

Proud finalist of the 2017 World Superyacht Awards, the 47m Bilgin motor yacht QUASAR is now available for sale for the first time since delivered in 2016.

Her modern, clean and timeless design is the work of the talented team at H2 Yacht Design, both for the exterior and interior. Though under 500 GT for lower running costs, she is packed with great entertainment features. QUASAR provides everything that one could imagine for a relaxing holiday, with a fully serviced beach club, 2 dining areas, 4 lounging areas, a glass front jacuzzi, 2 sunbed areas with built in adjustable backrests and a stadium quality entertainment system.

The layout is cleverly thought through in order to accommodate 12+4 guests in 6 cabins. Both the owner's suite on the main deck and VIP suite on the lower deck are full-beam and almost equivalent in size. The other guest cabins were kept as flexible as possible with all 4 of the cabins being able to convert from double to twins and each also has a Pullman berth.

Comfort is ensured by stabilisers at anchor whilst quiet running was a priority for Bilgin and noise levels are particularly low for a yacht her size.

Principales caractéristiques

Accommodation for 12 guests across six cabins

10-year class survey recently completed

Dedicated beach club with bar and lounge

10-metre Boston Whaler chase boat
