RARE DIAMOND

APERÇU.

With her sleek looks, 25+ knot top speed, and a toybox packed with a fine selection of water sports equipment, RARE DIAMOND is a gem waiting to be discovered. You and your guests will be treated to an amazing time on this fantastic yacht, whether you're relaxing on the huge foredeck sunpad, enjoying a wondrous breakfast on the sun deck, or just relaxing on the hydraulic swim platform with the water lapping at your toes.

RARE DIAMOND's guests can relax on board, revel on the sun deck, or opt for water-borne activities. On the sun deck, there's a superb al fresco dining area beneath the shade of the hardtop. A buffet bar is next to this space, so whether you'd prefer to help yourself to a wonderful selection of breakfast pastries or be served at the table, you have the choice. To the rear is a stunning al fresco lounge area, close to an aft deck of sun loungers. This makes it a great social space as, whether you're sunbathing or enjoying drinks, everyone is together.

There's a shaded al fresco lounge area on the main deck too. Plush seating and hi-lo tables create a welcoming place to relax after making the most of the onboard water sports equipment. Whether you've been for a serene evening paddle on a SUP, an exhilarating tow on skis, wakeboards, or inflatables (donuts and sofas), or a high-speed thrash on the jetski, RARE DIAMOND has all these and three SeaBobs and snorkelling equipment for 11 people.

Entering the main saloon, you'll see an impressive modern and stylish space. Turquoise chairs add a splash of colour, and picture windows run the length, so whether you're indulging in fine cuisine at the formal dining area or unwinding in the lounge area, you can appreciate your surroundings – inside and out. Ahead on this deck is your master suite. With a large angled window over the head of the bed and skylights aft, the suite is a fantastically light area to rest and revive. To the rear of the suite is a majestic en suite bathroom, with a monsoon shower and his and hers sinks.

Your guests' accommodation is on the lower deck. Here, they will be treated to similar luxury – contemporary suites with fuss-free styling, making each suite a light, harmonious space. There are two double VIP suites and two twin-berth suites (one with the added convenience of an additional pullman berth).

Wherever you choose to cruise on RARE DIAMOND, you're assured a truly flawless experience.
