REGINE OF CANNES

APERÇU.

REGINE OF CANNES is a stunning 24.6m (80.7ft) motor yacht built by San Lorenzo in 2021. The SL78 range is known for blending sporty lines with generous onboard spaces, and REGINE OF CANNES lives up to this reputation. Her sleek GRP hull and superstructure are designed by Officina Italiana Design, combining performance, cutting-edge design and sophisticated style in a compact, highly efficient package.

A proven success on the charter market, she offers an exciting opportunity for investment or private ownership, ideal for those seeking elegant cruising experiences with family and friends.

Designed for sophisticated relaxation, REGINE OF CANNES boasts inviting outdoor spaces that elevate the on board experience. A tranquil foredeck lounge area provides the perfect vantage point to soak in panoramic ocean views, while the main deck aft offers a comfortable setting with plush sofa seating and a stylish coffee table.

On the sprawling flybridge, al fresco dining is complemented by luxurious sun loungers, creating an effortless transition from indulgent meals to basking under the sun. Inside, the yacht maintains its refined aesthetic, blending neutral tones with vibrant accents to create a serene yet stylish ambiance. Cream-coloured furnishings echo the sophistication of the exterior, complemented by lacquered walls and ceilings that contrast elegantly with contemporary design elements.

Accommodations are beautifully designed, offering space for up to eight guests in four well-appointed cabins, each featuring en suite bathrooms and generous windows that amplify natural light. The full beam master suite and full beam VIP provide generous space and comfort, while two twin cabins are perfect for family or additional guests.

Powered by twin MTU engines, REGINE OF CANNES cruises effortlessly at 24 knots and reaches a top speed of 30 knots, ensuring exhilarating performance on the water. Zero-speed stabilisers provide absolute comfort whether at anchor or underway, making every journey smooth and enjoyable.

Principales caractéristiques
