

REVE D'OR

REVE D'OR

APERÇU.

An Italian built San Lorenzo permanently based along the Adriatic coast, REVE D'OR is a trusted charter yacht in this destination. The smart dark blue hull and classic exterior lines make her instantly recognisable.

REVE D'OR can accommodate up to 12 in six spacious cabins. The master cabin is located on the main deck and the elegant VIP is on the upper deck and offers guests direct access to an exterior area to relax and enjoy a morning coffee or evening cocktail! Two double cabins and two twin cabins are situated on the lower deck. Overall, her interior styling is traditional with opulent additions; dark varnished wood creates a warm ambience and the accents of gold and marble in the bathrooms add to the grandeur and 'hotel/ residential' feel throughout. The yacht's interior volume and heavy steel displacement hull does mean she sits comfortably in the water- perfect for any guests rather sensitive to the motion of the ocean.

Outside, the sun deck benefits from ample sun shade and there is a modern 'beach club' area at the stern with spa facilities and access to an extensive array of water toys and the 6m tender (with 260hp engine). This area allows for easy access to the water and yet another area to relax or sunbathe at the water's edge on her large sun lounge chairs.

REVE D'OR is an extremely comfortable option for exploring the Adriatic with excellent deck space, multiple dining and seating areas and an experienced charter crew.
