RIO

OVERVIEW.

If you are seeking a sleek and seriously sophisticated charter yacht, look no further than RIO. Built in 2022 by CRN Ancona and designed by Omega Architects, she is one of the most captivating yachts on the water. Winner of the Best Naval Architecture Award in 2023, RIO combines innovation with refined elegance, boasting a striking silhouette, expansive beach club and an effortlessly luxurious interior by Pulina Exclusive Interiors. From the very first step aboard, guests are welcomed into a world of comfort, sophistication and unparalleled service.

Wake in the serene privacy of the owner's suite, where floor-to-ceiling windows frame an endless horizon. A morning on RIO might begin with a swim directly from the beach club, a session in the well-equipped gym, or a moment of calm in the hammam. With a vast selection of the latest water toys and tenders, every day invites adventure, whether in the calm Mediterranean or vibrant Caribbean waters.

With accommodation for 12 guests across seven beautifully appointed cabins, RIO is exceptionally well suited to extended families and groups of friends. The owner's suite offers a private terrace, office, and his-and-hers bathrooms, while two VIP suites and four additional guest cabins, one of which is ideally suited for a nanny or security, provide flexible and generous living arrangements.

From the beach club to the sun deck, RIO's outdoor areas are made for indulgence. A jacuzzi-forward bow lounge on the foredeck offers panoramic views and a tranquil escape, while the sun deck's deep pool, sunbeds and marble-topped bar offer the perfect setting for sun-soaked days. Al fresco dining aft of the upper deck invites long lunches and golden-hour cocktails, surrounded by expansive sea views.

Activity and exploration are at the heart of RIO's charter experience. Her extensive toy garage includes SeaBobs, jetskis, inflatable water parks, scuba equipment for certified divers, and an array of kayaks, paddleboards, and eScooters. A full beach set-up, which comes loads with a gazebo, BBQ and Starlink internet, brings the five-star experience ashore.

As the sun sets, take the lift down to your suite to dress for the evening, before gathering with guests in the sky lounge. Framed by panoramic glazing and bespoke furnishings, the lounge's warm oak flooring, contemporary artwork and relaxed ambiance set the tone for elegant evenings.

Dinner is served on the main deck aft, an occasion of refined cuisine and expert service beneath the stars. With her youthful, dynamic crew, versatile layout and award-winning design, RIO is a superyacht built for both fun and finesse. Whether for a celebratory charter or a multi-generational escape, she offers a truly unforgettable yachting experience.
