ROCK.IT

APERÇU.

Nothing compares with life aboard a superyacht with a pedigree like ROCK.IT. Delivered by Feadship in 2014 and recently refitted in 2019, she has a stunning sleek exterior and interior design by Sinot Yacht Design and is packed full of amenities to give her guests the best possible charter experience.

Offering so much choice from accommodation to entertainment, her interior combines classic styling with contemporary furnishings and state of the art AV and IT systems. Both the main saloon and sky lounge are decorated with glossy and veneered wood with light stones and backlit pure white onyx, creating a warm and relaxing ambience. Guest accommodation is for 10 guests in five luxurious cabins, including a master cabin on the main deck. Three doubles and one twin cabin, all en suite, are located on the lower deck with plush soft furnishings.

ROCK.IT has the right amount of everything you could possibly want for a fun-filled charter. Huge outside space and a fantastic list of watertoys and leisure facilities combine to make her ideal for al fresco living. Her large sun deck offers endless relaxation areas. Take a refreshing dip in the sun deck jacuzzi and relax on the sumptuous sun pads before stepping into the semi enclosed al fresco dining area. A skylight at the centre of the yacht dims automatically depending on the strength of the sunlight, and should the wind pick up while the guests are dining, the area can be sheltered from the breeze with sliding panels.

Follow a leisurely lunch with an afternoon of watersports. Stroll down to the swim platform where you can easily access the numerous watertoys carried on board. The 7m Pascoe is the ultimate watersports tender and perfect for the towable inflatables and wakeboard. Alternatively, the Intrepid tender can be taken out for fishing or making use of the full scuba diving equipment on board (rendezvous diving only).

Back on board, enjoy a sundowner in the comfort of the sumptuous seating on the main deck aft or a pre-dinner cocktail at the sky lounge bar. A gastronomic extravaganza can be served al fresco on the bridge deck aft, or for a more formal occasion, use the main deck saloon where formal dining can be set up for up to 10 guests. Settle into the comfy sofas for a movie night or dance the night away on the tender deck. However you wish to spend your evening aboard, ROCK.IT's crew of 13 are on hand to ensure the absolute best in comfort and service.
