OVERVIEW.

Delivered in 2011 by the renowned Dutch shipyard, Heesen, ROCKET is a 49.8m (163.3ft) fully customised superyacht belonging to the highly popular Heesen 5000 series. Most recently refitted in 2025, ROCKET presents in immaculate condition and is packed with guest amenities and unique features throughout. With her exterior design by Omega Architects and interiors by Domus Nova & Cristiano Gatto Design, ROCKET comes complete with bespoke guests communal areas, luxurious accommodation, and smooth and sleek exterior lines. ROCKET has always been maintained to the highest standard since new and has regularly received upgrades.

ROCKET offers luxurious and spacious accommodation for 12 guests in six cabins. Forward on the main deck is the full-beam master suite with an en suite bathroom. On the lower deck, there is three double cabins with two twin cabins including an oversized VIP cabin aft. ROCKET also features large communal guest areas including her main deck lounge offering wrap around couch seating forward with an indoor formal dining area aft. On the bridge deck, there is a spectacular circular lounge with 270-degree views and a large TV with surround sound for movie nights.

In addition to her luxurious and bespoke interiors, ROCKET features large exterior decks with plenty of guest seating. Her most prominent feature on the exterior is her split level sun deck with a large jacuzzi forward flanked by sun pads and surrounded by glass screens. Aft, under skylights, is a genuine sky lounge with walk-up bar, picture windows and large sliding glass doors fore and aft, making it a wonderful place for dining under the sun or the stars in any weather. On the bridge deck, is a large entertaining space, which can set up as an al fresco dining space for 12 or a convivial afternoon lounge with more seating aft.

ROCKET is powered by twin MTU 16V 4000M90 engines offering 3,650HP each providing a cruising speed of 17 knots and an impressive maximum speed of 23 knots. ROCKET has zero speed stabilisers offering premium guest comfort both cruising and at anchor. Her shallow draught offers limitless cruising capabilities allowing for island hopping in the Bahamas.
