

ROYALE X

ROYALE X

OVERVIEW.

Step aboard the 49.9m (163.7ft) ROYALE X, hull No.7 of the iconic Mangusta 165 series, and get ready for an adventure like no other! Built by Italian shipyard Overmarine to designs by Stefano Righini, the yacht was delivered in 2012 and given a stunning refit in 2019. With a perfect mix of sleek style, jaw-dropping performance and unmatched comfort, ROYALE X promises a truly exhilarating experience at sea.

Powered by three high-performance waterjets and with a top speed of 38 knots, in just one day you can cruise effortlessly from the picturesque port of Portofino to Monaco for lunch, before hitting the glamorous streets of St Tropez.

With nine Seakeeper gyrostabilisers she remains stable both at anchor and underway so you can let your hair blow in the wind, without worrying about a bumpy ride. Her modest draft of 1.6m (5.9ft) allows her to explore the charming bays and ports that are off-limits to many large yachts.

ROYALE X has a bright, modern interior by Valentina Balducci with beautiful bleached-teak wood floors and limed-oak panelling throughout creating a light, airy vibe.

Want to relax in style? Head to the main deck aft where built-in seating and a large table await, perfect for al fresco meals.

For a little more privacy, the foredeck boasts comfortable built-in sun pads - ideal for lounging in the sun without a care in the world.

The sun deck presents an additional open-air dining option as well as spacious lounging while giving guests the ultimate spot for taking in the exhilarating speeds and breathtaking views.

With her unmatched speed, stunning design, and spacious luxury, ROYALE X provides the perfect port hopping experience along the French and Italian Rivas.

Key features

Top speed of 38 knots

Expansive outdoor deck spaces

Full-beam master cabin with private office

Dedicated gym

Media room that converts into family cabin

Fantastic Windy 52 chase tender

Zero speed stabilisers to reduce rolling motion whilst at anchor and underway
