

SALUZI

OVERVIEW.

With a distinctive style that transports you to a vibrant, modern beach house, SALUZI invites up to 32 guests to recharge and revitalise across her five decks, with unusual features including a spa, salon, karaoke bar and open air cinema.

As the day begins, make your way to breakfast on the main deck aft where there is a range of dining tables that offer a more intimate mood to large group mealtimes. The deck crew are ready to take you on a diving and snorkelling expedition to a nearby coral reef that is teeming with sea life; SALUZI's shallow draft means she can even venture among coral reefs and closer to the shore than most yachts of her size. Then take a spin on the dizzying array of watertoys, from the various jetskis, jet board, towables, waterskiing and wakeboarding gear to leisurely options like paddleboards and a glass bottomed kayak.

The crew are renowned for their beach BBQs, so you are whisked by tender to a secluded tropical shoreline to experience one first hand, with fun activities, cool cocktails and freshly grilled delicacies on tap. After lunch is over, everyone heads back to SALUZI for the afternoon; it is impossible to run out of things to do, whether you crave privacy or convivial fun.

The sun deck is always inviting, with two jacuzzis and endless options for lounging both in the sun and shade. With your workout in the gym complete, an afternoon of pampering in the salon and wet spa is calling, while the children are occupied by fun party games in the upper deck lounge before an early dinner and open air movie night on the sun deck.

SALUZI's stunning Luiz de Basto design is reminiscent of a hip Miami hotel; it is bold, bright and uplifting, with eye-catching pops of colour and original modern art. There are two plush master suites on the bridge deck, six VIP suites on upper and one on main deck alongside seven well appointed double cabins.

As the sun sets on the beautiful tropical scenery, elegant cocktails and canapes are served on the bridge deck, where you drift between the piano bar lounge and the expansive views of the exterior, with sumptuous sofas and high tables creating the mood of a chic city rooftop bar. After a remarkable Asian fusion dinner, you head to the main deck lounge where karaoke has been set up for your own private talent show, and you party the night away in luxurious style.
