SALUZI

APERÇU.

Built by Austal and transformed through a major refit in 2014, SALUZI stands among the most unique large-volume yachts currently available on the global market.

One of the very few yachts with passenger vessel certification, she accommodates up to 36 guests in 16 staterooms while supporting an impressive crew of 37, making her ideally suited for high-end charter operations, private events, wellness retreats, corporate entertainment or luxury expedition-style cruising.

Her enormous 1,739 GT volume is spread across 5 expansive decks, offering remarkable versatility together with commercial-grade reliability.

Fully RINA classed and commercially compliant, SALUZI combines large-scale operational capability with luxury amenities including a spa, gym, dual hot tubs, extensive toy inventory and generous indoor/outdoor entertainment spaces rarely found on yachts of this size.
