

SANTOSH

SANTOSH

OVERVIEW.

There is no better way to explore and experience the Bahamas or the Caribbean than from the deck of a luxuriously appointed yacht – and SANTOSH, brand new in 2020, is ready and waiting to deliver the unforgettable.

Wake up in the main deck master suite and let the morning sun pour in through huge picture windows as you anticipate the day ahead. Join the rest of the party on the main deck aft where a fragrant breakfast of juices, smoothies and freshly baked pastries awaits. Want something specific? Just ask the crew and the chef will prepare whatever you want to order.

After planning the day with the captain you have a couple of hours to enjoy the watertoys. Waterskis, wakeboards and inflatable towables deliver high-speed thrills behind the yacht's powerful Williams jet tender, or enjoy some autonomous adrenaline on the jetsurfs. Want to swim like a dolphin? Try the SeaBobs. However you want to enjoy the ocean, a hydraulic bathing platform makes the water accessible to all generations.

With the toys stowed away and the yacht en route to the next amazing anchorage, you freshen up in your cabin before heading up to watch this majestic coastline glide by. Will you catch a few rays on the large sun deck, settle into the air-conditioned comfort of the sun deck lounge or catch a movie in the main deck lounge? If you want to feel the wind in your hair, try the large sun pads on the foredeck.

As the anchor goes down, a delicious lunch is served and you decide to make it an informal al fresco affair in the C-shaped lounge on the foredeck. After lunch it's time to jump into the tender and explore the shops, bars, history, culture and people ashore for a couple of hours. Maybe you'll visit a vineyard to taste a few wines?

Back on board thoughts turn to dinner. Yesterday you chose the formality of the main deck dining room for a special occasion. Tonight, after toasting the sunset with your favourite sundowner in the foredeck lounge, you'll dine on the main deck aft where, with folding balconies either side, you have limitless views or your beautiful surroundings and a real connection with the sea.

After sharing photos and stories of another amazing day, everyone heads to bed to prepare for a whole new raft of experiences tomorrow. Life on SANTOSH is as good as it gets!

Key features
