

SATORI

SATORI

OVERVIEW.

SATORI transports you to an era of elegant, leisurely travel for ultimate relaxation in refined luxury. She has ample deck space for lounging and dining, while her interior is chic and light, with a distinct nod to Scandi style.

Start the morning with a refreshing dip in the cerulean sea followed by a tasty breakfast to set you up for the day. There is nothing like the exhilaration of a sailing superyacht propelled by the wind. So, after breakfast, the captain unfurls SATORI's sails to cruise to the next anchorage while the crew help keen guests to get involved in the action on deck, creating memories that will last a lifetime. If you prefer a little quiet time, curl up with a book on the lounge's comfy sofas or in the refreshing environs of the aft deck's shaded sun pads.

With the anchors dropped in a quiet bay, it is time to test your skills on SATORI's watertoys. The crew offer lessons on the Optimist dingy, while kayaks and paddleboards are a great option for all ages. To experience some speed, take the jetskis, SeaBobs and towable inflatables for a spin.

The crew have set up a beach BBQ lunch, with freshly grilled seafood and mouth-watering salads. After, some of your group tour the coastline on the four electric bikes while the remainder head back on board for a little R&R. Soak up the sun on the various sun loungers and sun pads across SATORI's deck, or head to the treatment room for a massage.

The children enjoy a cookery class from the chefs, preparing decadent patisseries to be served with a champagne tea on the aft deck while everyone chats about their favourite moments of the day so far. Alternatively, retreat to the bar for a quiet drink while taking in the beautiful views through the large windows.

It is time to change for dinner, so descend to your cabin to freshen up. SATORI sleeps 10 guests in five double cabins with black and white photography and cream decor in contrast to the dark woods. Her full beam master cabin features a seating area, study and large bathroom, while the remaining four en suite cabins are all spacious.

After a magical sundowner, enjoy a beautiful al fresco dinner by candlelight with a tasting menu and wine pairings from the 250-bottle wine cellar. Finally, everyone rounds off the evening with an outdoor movie experience on the foredeck, under the night sky's awe-inspiring display of stars.
