SAYONARA

APERÇU.

Meticulously crafted and constructed to the highest standards by the prestigious Italian shipyard, Overmarine, in 2015, the magnificent 28.7m (94.2ft) SAYONARA epitomizes the perfect marriage of exhilarating speed and unparalleled luxury. As Hull #3 of the highly sought-after Mangusta 94 series, SAYONARA is a true masterpiece, designed for those with a passion for performance and a taste for refined comfort. With her striking appearance and exceptional build quality, SAYONARA represents a perfect purchase opportunity for the discerning yachting enthusiast. SAYONARA has been kept in pristine condition, with meticulous care and attention to detail throughout her life. Regular upgrades have been made to ensure that she presents in turn-key condition, ready to offer her next owner an unforgettable experience.

Designed to provide ultimate comfort and privacy, SAYONARA accommodates up to six guests in three beautifully appointed cabins, all located on the lower deck. The full-beam master suite is a true sanctuary, bathed in natural light from large windows on either side, creating an inviting and airy atmosphere. The master cabin features a luxurious en suite with dual sinks and a spacious glass-enclosed shower. In addition to the master suite, the lower deck offers a sophisticated lounge area, a well-appointed double cabin, and a versatile twin cabin, making SAYONARA the perfect choice for both families and couples seeking comfort and relaxation.

On the main deck, SAYONARA's layout flows effortlessly from the bow to the stern, with multiple spaces designed for entertainment and relaxation. Guests will enjoy ample seating both indoors and out, allowing for an effortless transition between socializing and private moments. The main deck aft is home to a large, stylish al fresco dining area, ideal for enjoying gourmet meals while surrounded by panoramic views. A spacious sun pad invites guests to soak up the sun, offering the perfect spot for lounging and taking in the surroundings. Forward, on the expansive foredeck, a wrap-around couch and another large sun pad await, creating an inviting space for relaxation or enjoying the fresh sea breeze. Inside, the main deck lounge is thoughtfully designed with a dining table for four, a comfortable wrap-around sofa, and a well-equipped bar towards the aft. A highlight of SAYONARA is her expansive flybridge, offering 360-degree, unobstructed views, providing an unrivaled perspective of the surroundings and ensuring a breathtaking experience wherever she sails.

Powered by twin MTU 16V2000 M94 engines with water jet propulsion, SAYONARA cruises comfortably at 32 knots, with a top speed of 36 knots. With a shallow draft of just 1.6m (5.2ft), she can access even the most exclusive destinations. Ideal for island hopping or day trips, SAYONARA is an exceptional opportunity not to be missed.
