

SEA CLASS

OVERVIEW.

For those in search of a stunning yacht with an abundance of water sports toys to keep you and your guests fully occupied, look no further. SEA CLASS boasts an outstanding collection of water sports equipment, complemented by an 8.2m (27ft) waterslide that descends from the magnificent sun deck to the sea below. Additionally, SEA CLASS features a 9.1m (30ft) in-water inflatable swimming pool with poolside loungers and dock space for four jet skis. The toy collection includes an 11.2m (37ft) tender, a jet RIB, two e-foils, two SeaBobs, kite surfing equipment, SUPs, and six sets of Scuba dive gear. These accompany a full range of towable inflatables, wakeboards, and water skis.

After indulging in these activities, you can enjoy a private beach party. Let her expert crew create an amazing experience for you and your guests, whether it's for a BBQ lunch or to watch the sunset. SEA CLASS is equipped with all you need for an exclusive seaside celebration.

For a more refined dining experience, you'll feel at home on board in her two dedicated dining areas. Beneath the hardtop, on the gorgeous sun deck, you can dine while taking in your surroundings from an elevated setting. There's also a beautiful formal dining area in the main deck saloon, where you can enjoy fine dining creations in comfort and style.

To relax, there are plenty of areas, whether it's outside on the sun deck – with its jacuzzi, sunpads, and freestanding sun loungers, in the long al fresco lounge area on the upper deck, or in the seating in the cockpit. There is no lack of space on deck for you and your party. The communal guest areas benefit from large picture windows, and a 2023 refit has left her immaculately presented. The bridge deck lounge area has a wet bar, games table, and relaxed seating space, while the main saloon has a vast lounge area and dining area.

At the end of each day, you can retire to the sanctuary of your full-beam main deck master suite, where you'll find a king-sized berth and an en suite bathroom with a separate shower compartment. To help you fully unwind, there's also a spa bath. Those with children or staff need not give up a suite on the lower deck. Just aft of the master suite, SEA CLASS surprises with a double suite that's accessible from the main foyer. Four more double guest suites can be found on the lower deck, three of which have the option to be converted to twin-berth cabins, giving SEA CLASS flexible berthing arrangements.

Key features

Child-friendly yacht

Flexible cabin configurations

Optional sixth cabin (double) suited for nanny, staff, or children
