SEAGULL MRD

APERÇU.

SEAGULL MRD's open interiors and impressive outdoor spaces are perfect for relaxing and entertaining. At 49.9m (163.7ft), she features a steel hull and aluminium superstructure, with her interior, exterior, and naval architecture meticulously crafted by Benetti.

What truly sets SEAGULL MRD apart are her vast exterior deck spaces. The sundeck is an ideal spot for relaxation and entertainment, featuring a pool, jacuzzi, sunpads, an al fresco dining area, and a bar - all with stunning sea views. On her upper deck, guests will find an additional bar, al fresco dining area, and ample seating, complemented by further seating on her main deck, for a versatile outdoor experience. Her large swim platform and beach club offer exceptional access to the water, completing her expansive outdoor spaces.

Inside, the considerable use of glass, combined with light interiors and vibrant colours creates a bright and airy atmosphere. The main deck features a large dining table that can seat twelve, connecting to a spacious main salon with ample lounge space. Forward on this deck, a full-beam master suite with a fold-down balcony maintains the connection to the sea. On the lower deck, guests are accommodated in four double cabins, including two VIP suites, ensuring a comfortable stay. The upper deck boasts a generous sky lounge with ample seating and a bar, along with an additional VIP cabin, completing SEAGULL MRD's elegant and open interiors.

SEAGULL MRD benefits from twin MAN engines that provide her a maximum speed of 16 knots, cruising speed of 13.6 knots, and maximum cruising range of 4000 nautical miles.
