

SEALION

SEALION

OVERVIEW.

Life on the award-winning SEALION is all about refined opulence, blending uplifting light, plush textures and high gloss finishes. With a showstopping sun deck, cutting edge entertainment systems and a variety of relaxation and dining spaces, she offers the full package for a luxurious modern charter.

Wake up in the palatial owner's suite and walk a few steps to the gym for an early morning workout. Then, after freshening up, take the elevator to the bridge deck and join everyone outside to enjoy a healthy breakfast cooked to order.

Mornings are a great time to enjoy watersports and SEALION has a full complement of watertoys for fun above the surface, as well as scuba diving equipment. Are you brave enough to try the vertiginous sun deck waterslide? If you prefer to watch than take part in the action, the main deck aft offers a great vantage point from its comfy sofas.

A leisurely lunch is served on the stunning sun deck, with the large jacuzzi inviting you in for a dip afterwards. The toughest choice you now face is where to relax and enjoy the afternoon sun, either on the vast bank of sun pads nearby, the many sun loungers or the rotating circular sun pad. For a little quiet time, curl up under a cashmere throw to watch a movie on 103-inch plasma screen TV in the media room, which also features a complex spinning solar system model. SEALION's award-winning interior, perhaps best described as contemporary Art Deco, is a feast for the eyes and the senses, with intricate attention to detail throughout.

With cocktail hour approaching, head to your cabin to change. SEALION accommodates up to 12 guests in six cabins, including the split-level master suite with large walk-in wardrobe and spacious marble bathroom; a VIP suite with walk-in wardrobe, also on the main deck; and two double and two convertible twin cabins on lower deck.

Sip a romantic sundowner with a loved one on the secluded Portuguese bridge, then join everyone in the main deck lounge with music from the piano and expertly mixed cocktails, before moving to the formal dining area for an impeccable banquet. Continue the festivities on the sun deck, now transformed to an open air nightclub, with bar service, great music and the table converted into a stage for dancing and performers. Or for a more sedate option, enjoy a movie on the vast outdoor cinema screen under the natural amphitheatre of the stars.

Key features

Winner of the World Superyacht (2010), International Yacht (2011) and SBID Design Awards (2011)
