SEATALY

# OVERVIEW.

**SEATALY is where Italian flair meets forward-thinking design – a 29.6m (97.1ft) Amer 100 Quad from Permare that's built for fast, stylish escapes.**

Delivered in 2016 and still turning heads, she cruises at up to 24 knots thanks to her four powerful Volvo Penta engines. Whether you're island-hopping or gliding along the coast, SEATALY ensures a smooth, effortless ride – so you can unwind in her cool, contemporary interior while the world drifts by.

Her elegant aesthetic pairs soft beige tones with bold accents and warm vintage teak decking, creating a relaxed yet refined vibe throughout. Sustainability is stitched into her design, with recycled wood flooring, low-emission engines and cork exterior decking – tactile, waterproof, and gentle underfoot. These pioneering touches won SEATALY the title of 'Most Innovative Yacht of the Year' at the 2016 Cannes Yachting Festival.

SEATALY accommodates up to 10 guests across five beautifully appointed cabins, including a full-beam master suite complete with private office and a spa-style ensuite with Turkish bath. Four additional double cabins can be effortlessly converted into twin arrangements to suit your group's needs.

Outside, soak up the sun on expansive loungers, sip something chilled at the bar, or dive into the watertoys for adrenaline-fuelled afternoons. At anchor, zero-speed stabilisers keep everything calm and comfortable, letting you make the most of every moment on deck.
