SECRET LOVE

OVERVIEW.

SECRET LOVE was built by Amels B.V. Holland, the Dutch shipyard renowned for their outstanding build quality, and launched in 1990. She has been under the same family ownership for all but five years of her life, she maintains her original charm and qualities.

36.5m motor vessel was totally custom-built to the highest standards with excellent sea-keeping qualities, special attention was focused on the safety and strength of the vessel making SECRET LOVE a true ocean-going yacht.

Designed by Struik & Amerslag, extensive use of luscious fabrics and Bird's Eye Maple give SECRET LOVE's elegant interior a highly sophisticated feel. With a full beam master suite, full beam VIP cabin and two twin cabins, each with a marble en suite, she can comfortably accommodate up to eight guests. Crew accommodation is for eight.

Outside, SECRET LOVE benefits from spacious deck space with a large aft deck offering guests a comfortable seating area. Up on the sun deck, a jacuzzi, outside bar and al fresco dining can be enjoyed whilst taking in the views.

SECRET LOVE is equipped with twin 680hp Caterpillar engines and cruises efficiently at 11 knots and has a maximum speed of 13 knots. She has a range of 4000 nautical miles.
