SERENA

APERÇU.

Crafted in 2025 by renowned Dutch shipyard Heesen, SERENA is a striking 55-metre motor yacht that seamlessly combines cutting-edge engineering with sophisticated Italian design. Built on Heesen's proven Fast Displacement Hull Form, she delivers exceptional efficiency, long-range cruising capability and remarkable comfort at sea, making her equally suited to adventurous passages and relaxed Mediterranean summers.

Designed by Omega Architects, SERENA's elegant profile is defined by clean lines, expansive glazing and beautifully balanced outdoor living spaces. Her 760GT interior, created by Luca Dini Design & Architecture, exudes understated luxury, featuring warm contemporary finishes, bespoke detailing and an abundance of natural light throughout.

Accommodating up to 12 guests, SERENA offers a refined onboard experience centred around comfort and versatility. Guest accommodation is arranged across five beautifully appointed staterooms, while a sixth cabin has been thoughtfully configured as a fully equipped gym, offering owners additional wellness space onboard. Should additional guest accommodation be desired, the gym can be converted back into a sixth guest cabin.

Spacious social areas include a stylish main salon with a fully equipped bar, an inviting sky lounge, and expansive deck spaces designed for entertaining, dining and unwinding. The beach club and sauna create a serene waterside retreat, while the generous sundeck provides the perfect setting for enjoying panoramic ocean views.

Powered by twin MTU engines, SERENA achieves a transatlantic range of approximately 4,500 nautical miles at 13 knots while maintaining a top speed of 15.5 knots, offering owners the confidence to cruise further in complete comfort. Combining Northern European craftsmanship, contemporary elegance and outstanding performance, SERENA stands as one of the most compelling 55-metre yachts delivered in her class.

Principales caractéristiques

Delivered by Heesen in 2025

Exterior design by Omega Architects

Beach club with sauna

Expansive sundeck with spa and bar area

4,500nm range at 13 knots
